**Read the Triumphal Entry accounts in Matthew 22, Mark 11, Luke 19 and John 12**

Compare all 4 accounts. What differences stand out? What portions raise questions for you?

When you observe Jesus' behavior throughout the story, how would you characterize it?

The different characters or groups in the narrative all have different views of Jesus that could correspond to faith descriptions. See how many you can identify and how you would summarize their understanding of Christ.

John tells us the disciples did not understand what had happened until later. Can you think of a time where you didn't see what God was doing until after the fact? How does that impact your thinking about future situations?

What do you see Jesus valuing/prioritizing in this story?

The sermon said that this story is only understandable in light of the cross and resurrection. In what ways might that be true?
