Read 2 Peter 1:1-3

If you were describing faith to a child, how would you explain it?

The sermon described several things that faith ISN'T: the power of belief, what works, correct thinking, religious community, moral guidelines or personal feelings about God. Which pieces of that list have you tended to identify with faith? Can you think of others?

What situations make faith the most difficult for you? Does it feel like pressure to believe?

Read Luke 23:46. What does this verse tell you about Christ's faith? Can you think of other instances from his life that highlight his trust of his Father? How is his complete, perfect faith a gift to us?

The sermon talked about faith coming from God and not us. Who is someone you know that needs a rescue from God right now? Take a few moments to lift up their need in prayer.
