Read 1 John 5:19-20

Think about your own childhood. What words would you use to describe it? How does your memory of growing up shape how you think about being a child of God?

What about being children of God impacts the kind of church family we are?

John says the whole world is under the control of the evil one. How do we hold on to that without becoming afraid and retreating from the world?

In verse 20, John tells us Jesus gives us understanding. What do you wish you understood better right now? How have you seen Jesus reveal truth to you in the past?

Who is one person you know who needs the hope of being a child of God? Take a moment to pray for them. Ask God what your place might be in helping them know that for themselves.
