Read Joshua 1:10-11

Can you think of a big change in your life where you felt like God prepared you for it in advance? What did that preparation look like?

God's promise of the land was made long before the people did any preparing. In other words, they didn't earn it by being ready -- they got ready to receive what God was giving them. Does that make a difference in how you apply this to your own life?

Read Jeremiah 25:4. Why do you think it is so hard for God's people to listen to him? What does listening look like in your own life?

Joshua told the people to get their "provisions" ready, essentially saying they needed to feed themselves. What are some ways you've found effective to do that spiritually?

Take some time reading through Psalm 119 and list out ways the writer indicated God's word fed his soul. Listen to what else God might be saying to you through that passage.
